**Explanation of Responses:**

- Market leveraged stock units vest 25% on each of the four anniversaries of the grant date using a conversion formula under which the number of shares earned is adjusted at each vesting date based on the percentage change in the Company's stock price plus dividend equivalents accrued during the vesting period. Each marked leveraged stock unit represents a contingent right to receive one share of Avery Dennison Corporation common stock.
- Performance units vest, if at all, on December 31, 2015, provided certain Company performance objectives are met as determined in February 2016. Each performance unit represents a contingent right to receive one share of Avery Dennison Corporation common stock.
