Explanation of Responses:

- Market-leveraged stock units (MSUs) vest 25% over one-, two-, three- and four-year performance periods, with the number of shares paid on each vesting date based on our absolute total stockholder return. Each MSU represents a contingent right to receive one share of common stock, plus dividend equivalents accrued during the vesting period.
- Performance units (PUs) vest, at the end of fiscal year 2027, provided certain performance objectives are met as determined by the Compensation Committee in February 2028. Each PU represents a contingent right to receive one share of common stock.
- Shares reflect the vesting of the fourth tranche of MSUs granted in February 2021 at 128% of target based on our absolute total stockholder return in excess of 10% during the 2021-2024 performance period, plus dividend equivalents accrued during the period.
- Shares reflect the vesting of the third tranche of MSUs granted in March 2022 at 92% of target based on our absolute total stockholder return during the 2022-2024 performance period, plus dividend equivalents accrued during the period.
- Shares reflect the vesting of the second tranche of MSUs granted in March 2023 at 96% of target based on our absolute total stockholder return during the 2023-2024 performance period, plus dividend equivalents accrued during the period.
- Shares reflect the vesting of the first tranche of MSUs granted in March 2024 at 93% of target based on our absolute total stockholder return during the 2024 performance period, plus dividend equivalents accrued during the period.
- Shares reflect the vesting of PUs granted in March 2022 at 50% of target, based 50% on our cumulative economic value added of 0% of target and 50% on our capped relative total stockholder return of 100% of target.
